IASRM WORLD CONGRESS

collaborators:

ORGANISERS MESSAGE

Dear Friends and Colleagues,

IASRM (International Association Of Stemcell & Regenerative Medicine) One of the principal goals of the institute is the education and training of the next generation of stem cell researchers and the physicians who will practice regenerative medicine. The institute fosters this goal through graduate education, Short-term practical/hands-on training, Post-doctoral employment, and Congress & collaborative research programs.

We would like to invite you to participate in this exciting upcoming **8th Stem Cell & Regenerative Medicine Conference entitled: IASRM World Congress**, themed on **Multi-speciality Stem Cell & Regenerative Medicine Applications and Key Focus is Regenerative Aesthetic & Functional Gynaecology** which will take place on **October 27-29, 2023**, at the **Aahana Resort, Uttarakhand, India**.

IASRM World congress is recognised as most academic and scientific events in Stem cell & Regenerative Medicine with various relevant topics and workshop in which you will learn about Energy Based Devices- Laser, RF, HIFEM, Botox, Fillers

The program will be complemented with a professional exhibition, offering scientists doctors , academicians & industry experts an opportunity to take an active part, and for the exhibitors to collaborate with decision makers in many aspects of the field.

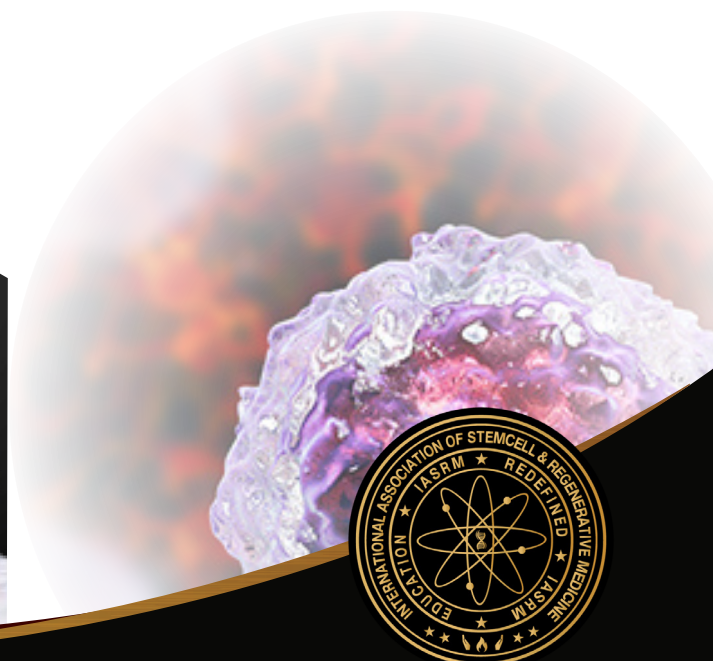

We look forward to welcoming you to what we hope will be a stimulating and inspiring scientific meeting.

Prabhu Chandra Mishra
Founder President
